JetPaws[™] Travel Checklist

Traveling with your pet can be lots of fun as long as you are well prepared and informed. Use the checklist below to ensure you have everything you need for a trip as smooth as your companion's coat.

- Required vaccinations and documentations
- Tags
- Licenses
- Airline-approved pet carrier
- Snacks and treats
- Pet supplies during your stay. JetBlue offers a nifty JetPaws[™] Pet Travel Kit which includes a blanket, a bowl and a bone in a carrying bag. Check it out at jetblue.com/shopblue.
- Give your pet a workout. When pets are tired, they sleep better and are more likely to quickly adapt to new surroundings.
